GIVE MORE VALUE TO YOUR BUSINESS!

Customize your Bag in Box...

...starting with just a few pieces!

The LISOTTI Bag in Box are practical and simple to use:

- The UV coating applied externally and the original kraft materials make them resistant to moisture.
- The lamination of the cardboard to the printed paperboard is done with special adhesives capable of creating a rigid barrier, ensuring that the boxes are more robust.
- Offset printing ensures high-resolution, high-definition graphics.
